Drivers with their own AMB 160 transponders will be exempted from rental charges for transponders.

Late entries, if accepted, will be at double the entry fee
 - (c) Conditions for acceptance or refusal of Entries
 1. Competitors who change classes once they have put in an entry for the series cannot accumulate points from the previous class. Points scored in one class cannot be transferred to another class.
 2. All entries received will be considered by the Organiser having regard to the suitability of the kart and driver. The Organiser may refuse to accept an entry without assigning a reason and their decision is final in such respect. Where an entry is not accepted by the Organiser, the entry fee will be refunded in full.
 3. A competitor may enter any number of classes in either series but the basic entry fee of RM 250 must be paid and an additional RM100 be paid for each additional class entered. It is the responsibility of the

competitor to ensure that he /she has sufficient time between races to switch karts or components to comply with a particular class. No time allowance will be given to anyone.

4. **It is a condition of entry that one and half set of MOJO tyres be purchased for every Rotax class entered (unless specified otherwise) and Deli tyres for the MicroMax class. Payment for these tyres must be made together with the entry fees and a voucher will be given for collection of the tyres at Parc Ferme. The tyres will be marked with the competition number by officials of the KKS on delivery and must be surrendered and used for the competition. No other tyres, even of the same make will be permitted to be used for that event.**
5. It is the Entrant's responsibility to ensure that every person concerned by his/her entry observes all the provision of the National Competition Regulations of AAM, the Technical Regulations and Sporting Regulations of Rotax. If an Entrant is unable to be present in person at the event, he must nominate his representative in writing. The person having charge of an entered kart during any part of an event is responsible jointly and severally with the Entrant for ensuring that the provisions are observed.

Entrants must ensure that their karts comply with the conditions of conformity and safety throughout the event. The presentation of the kart for scrutineering and signing of the scrutineering form will be deemed an implicit statement of conformity.

An Entrant can be either the driver himself or a Team. In the case of a Team, a Team Entrant licence for 2010 must be produced at the time of registration. Failure to produce a valid Team Licence will render the entry be classified under the driver's name.

20. Weighing

All karts and drivers will be weighed during Scrutineering and after Time Trials, all Heats, and the Final. Karts that do not cross the Finish Line at the end of a race may not be required to be weighed.

- Only Scrutineers and Officials are permitted in the weighing area. No mechanics are permitted anywhere near their karts until after weighing.
- No solid, liquid or gaseous matter or substance is permitted to be added or given to a kart or driver from the time of the dropping of the chequered flag and the weighing of the kart and driver.
- No kart or driver is permitted to leave the weighing area without the authorisation of the Chief Scrutineer.
- Any infringement of these provisions relating to the weighing procedures may entail the exclusion of the driver and kart concerned.

21. Grid Position

Grid positions for the first two heats in each class will be by Timed Practice. All karts in a class will be allowed out together for a 10 minute Timed Practice, during which time every lap will be timed. The fastest lap time for the kart during the session will determine the grid position for the two heats. The grid position for the Pre-Final in each class will be determined from the total points scored in the heats with the lowest points scorer in grid number one. The starting order shall be 2-2-2. The grid position for the Final shall be based on the finishing position in the Pre-Final.

22. Race Procedure, Point Scoring & Determination of Winners

22.1 Race Procedure

- (a) Each round will consist of non-qualifying practice, qualifying practice, heats (to qualify for pre-final and final, if necessary), pre-final and final.
- (b) Heats to qualify for pre-finals: Two heats each of a minimum distance of 10 km or 15 minutes duration
- (c) Pre-Final: Minimum distance of 15km or 15 minutes duration.
- (d) Final: Minimum distance of 20km or 20 minutes duration.

The promoters reserve the right to alter the technical regulations at short notice to ensure safety of drivers, fairness of competition, economy and the wishes of competitors. Reference ROTAX MOJO MAX Challenge Technical Regulations 2010.

22.2 Point Scoring & Determination of Winners

The Overall winner in each class will be determined from 2 heats, a Pre Final and a Final. Points will be awarded for finishing positions in the heats thus: 1st – 0 points, 2nd – 2 points, 3rd – 3 points and so forth. The overall winner for the event will be the winner of the final race of each class. For the purpose of points scoring in the heats, any driver that does not complete a heat will be credited with the number of laps he actually completed and his position will be determined after all race finishers have been placed. If a driver does not compete in a Heat for whatever reason, he will be credited with the same number of points plus two (2) of the number of entrants in the heat.

23. Start Procedure

- 23.1 All starts will be rolling type. The grid shall be made up of two lines of karts. For the Heats, the grid shall be arranged in the order of the best lap times set during the Official Time Practice. The grid position for the Final shall be based on the finishing position in the Pre-Final.
- 23.2 Competitors in a race will be released from the Parc Ferme area and will be moved to the starting grid where they will be positioned in the proper starting order. Any competitor found driving at excessive speed in the Parc Ferme area will be penalized.
- 23.3 Upon arrival at the starting grid, the driver will be positioned by the grid marshals. The Parc Ferme exit to the track will be closed to all drivers 5 minutes before the start of the race. Any driver still remaining at the Parc Ferme area will then only be allowed to join at the **back of the Grid** during the Warm-Up lap.
- 23.4 The approach to the Warm Up lap would be announced by signal boards showing 3, 1 minute and 30 seconds before the start.
- (i) **3 MINUTE** board
Everyone to vacate the Grid area except drivers, officials and 1 team member
 - (ii) **1 MINUTE** board
Everyone except competitors must vacate the Grid area.
 - (iii) **30 SECONDS** board
All drivers to start their engines and remain in their original Grid positions.
- 23.5 When the 30 seconds are up, a **Green** flag shall be waved by the Starter signaling the start of the Warm Up lap. The Red signal lights will be turned on. Drivers are to complete one Warm Up lap followed immediately by a Formation lap (i.e. total of TWO laps). In both laps, Drivers must **remain in their starting grid order** with the competitor starting from **Pole** position playing the role as leader of the formation in both laps. It is the responsibility of each driver to retain his grid position. If after two laps, the lead karts are still continuing at an excessive speed, the Starter will show a "Slow Down" board and if after one lap the speeding persist, the formation may be stopped at the start line with the False Start flag and the two lead karts relegated to the back of the grid. In the case of the Pre-Final and the Final, the race will be started but the offenders will be penalised 10 seconds.
- 23.6 Any competitor who is not able to start the Warm Up lap must raise his arm. After all the other karts have left the grid, his mechanic will be allowed to make an attempt to start the engine. If it can be started **before** the completion of the Warm Up lap, the driver may re-join in the Warm Up lap at the original position of the formation. If the kart cannot be started, then it must be removed from the track to the pits. If following this the kart is started, it may join the race from the back of the grid after the race has been started.
- 23.7 Should a driver stop for any reason during the Warm Up or Formation lap, he may not attempt to re-start until he has been passed by the entire field. He may then re-join at the back of the Formation and must NOT try to regain his Grid position. If the kart cannot be started, then it must be removed from the track to a place of safety. Similarly, should a driver without stopping fall behind the entire field he must remain at the rear for the Start and must NOT attempt to regain his position.
- 23.8 The start of the race will be given by switching off the RED signal lights. Two 2-metre wide lanes bordered by white lines will be painted over approximately 110 metres leading to the Start Line. At the end of the Formation Lap, Drivers will proceed forward at a reduced speed or, if the circuit is equipped with a speed control system, at a speed of 15 kph minimum to 25 kph maximum towards the Starting Line, lined up in two lines of karts, and each line shall remain within the lanes marked on the track. Any kart crossing any of the white lines during the Formation lap before the race is started will be penalized 10 seconds. When the karts approach, the red lights will be on. No kart may accelerate before the red lights have been switched off. Karts must maintain their position until the start signal is given. If the formation is not to the satisfaction of the Starter he may switch on the flashing Amber light indicating that the formation is to continue on one more lap and the start will now be the switching off of all the lights.
- 23.9 In the case of rain, the Clerk of the Course may declare a WET RACE. The choice of tyres will be left to the drivers. However the Clerk of the Course reserves the right to use the black flag if he deems that a driver's kart is fitted with the wrong set of tyres and that the driver is too slow or a danger to other drivers (CIK General Prescriptions Art.2.14)
- 23.10 Jump Start:
- (i) A "**Jump Start**" will be deemed to have occurred when a driver crosses the Start line ahead of his prescribed grid position at the start of the race.
 - (ii) The penalty will be **10 seconds**, which will be added to the total race time of the driver concerned.

24. Finish

The Chequered Flag will be dropped as the winner crosses the Finish Line and will be held stationary until the last driver completes the lap he is on. To be classified as a Finisher, a kart must cross the Finish Line under its own power with the driver

seated in the normal driving position, not more than one minute after the fall of the Chequered Flag, and must have covered not less than half the race distance.

As soon as the Chequered Flag has been shown to a driver at the end of the race, he must proceed directly, using only the authorised route, to the Parc Ferme. From the moment the driver has received the Chequered Flag until he is released from the Parc Ferme he is under Parc Ferme conditions and must make no alterations or adjustments to his kart or other materials or equipment.

25. **Restarting during the race**

Once a kart is on the circuit, whether in practice or during the race, **no** outside assistance is permitted. An Official of the meet may assist a driver to move a stalled kart out of a dangerous position but will not assist to restart. Drivers receiving assistance from any Pit Crew on the circuit during the race will be disqualified from that race and will incur a maximum point penalty.

26. **Crew Conduct**

The onus of responsibility for the conduct of crew will at all times be on the Entrant. Any misbehaviour on the part of the crew will not be tolerated and the driver will be liable to exclusion from the event for any breach of these regulations or refusal to obey instructions from officials of the meet. No crew are permitted on the circuit at any time without the express permission of the Clerk of the Course. Once the rolling lap has commenced, all crew must return to the Pits or Paddock. Smoking in the Pits is forbidden. The penalty for such an offence is exclusion of the driver. The Organiser reserves the right to refuse entry for any member of a Pit Crew into the circuit, Pits and Paddock and all areas under its jurisdiction without assigning a reason. Failure to comply with such a request will render the driver liable to exclusion from the event.

THE DRINKING OF ANY ALCOHOLIC BEVERAGES OR INTOXICATION BY ANY OTHER MEANS (e.g. NARCOTICS) IS ABSOLUTELY FORBIDDEN AND ANY DRIVER AND CREW FOUND GUILTY OF SUCH AN OFFENCE WILL BE IMMEDIATELY EXCLUDED FROM THE COMPETITION AND REMOVED FROM THE TRACK.

27. **Stopping the Race**

Should it be deemed necessary to stop the race due to an accident and on grounds of safety or any other reason, the Red Flag shall be shown by the Clerk of Course at the Start Line and all other Flag Marshalls shall show a Red Flag to indicate the race has been stopped. All drivers will immediately stop racing and continue to the Start Line, being prepared to stop at any point as requested by an Official. The result of stopping the race is as follows:

- (a) Should 75% of the race be completed, it shall be deemed a race and the result be the finishing order at the end of the lap preceding the stopping.
- (b) Should less than 2 laps have been completed, the race shall be re-run in full and the 1st start be null and void.
- (c) Should more than 2 laps but less than 75% of the race been completed, the race will be restarted with the race distance being the original race distance less the laps completed by the race leader before the signal was given to stop was given.

NOTE:

- (a) For Heats, all original drivers will be entitled to take part in the re-start.
- (b) For Finals, only those drivers who crossed the Finishing Line on the lap prior to the stopping may take part in the re-start.
- (c) Only those drivers who took part in the original start will be eligible for the re-start and then only if they were still running when the race was stopped or if they had gone into the pits before the stop under their own power.
- (d) The grid for the re-started race will be arranged in the race order at the end of the lap, one lap prior to that during which the signal to stop was given.
- (e) Refuelling and repairs will be allowed to be carried out in the interval before the re-start.

The re-start shall take place at least 15 minutes after the stopping of the race.

28. **Protests**

Any protest must be made in accordance with the NCR 191-193 and shall be addressed to the Clerk of the Course for immediate transmission to the Stewards.

Protest Fee	RM 250.00
Protest Against Eligibility	RM 250.00 plus RM 250.00 deposit for dismantling
Appeal Fee	RM 2,500.00 plus deposit of RM 250.00 for dismantling

All fees shall be in cash (Ringgit Malaysia)

29. **Posting of Results**

Results of each race will be announced over the public address system as soon as possible after such race and at the same time will be posted publicly at the Race Control and Paddock. Results will be considered official half an hour after posting provided there are no protests.

30. **Postponement**

At the discretion of the Organiser, the meeting or part may be postponed or cancelled. In the event of complete cancellation or postponement of more than 48 hours, entrants will have no right to claim against the Organiser for loss or expenses incurred.

31. **Advertising**

Advertising is permitted on karts and driver's apparel including helmets and overalls, provided that the placing of such advertisements in no way obscures or affects the legibility of competition numbers. The Organiser reserves the right to remove or obliterate any advertisement that they consider in bad taste or conflicts with any of the race sponsors. **The Organiser will indicate the positioning of sponsors decals and these decals shall not be placed anywhere else.** If this space is not made available, the Organiser reserves the right to remove or obliterate any existing decals in order to attach the decals of the meet sponsors.
