

NEWS BULLETIN (February 2006/2)

Welcome to our news bulletin, written specifically to support all our ROK125 karters! The updates are done periodically to supplement the info you will receive from the organizers of the championship,.

ROK CUP Malaysia 2006 Championship Details

- The 1st scheduled round of our Championship in April is now confirmed to coincide with the 1st round for the 2006 Asian Karting Open Championships (AKOC)!!! Having run at Shah Alam last year as well, this prestigious championship will now kick off again for 2006 together with ROK CUP Malaysia 2006 Championship.
- See the best drivers appearing at this race weekend at our event and Shah Alam Stadium Kart Track!

Race Categories & Championships

- In our previous bulletin, we announced that the Mechanic's Champion will be awarded a training trip to our principal's factory. It is now confirmed that this training will be conducted at the Vortex Kart Engine factory – the origin of the ROK and SuperROK kart engines.

ROK under test at our Shah Alam circuit!

- The first batch of the ROK kart engines is here...and they are already put immediately for testing, set-up and also customer test drives.

Water cooled, electric start, conventional airbox system and a fixed jet carburetion system – all in a compact package.

VORTEX ROK - the state of the art in kart engines!

ROK engine in Senior configuration. Easy interchangeability to a Junior spec engine by just replacing the exhaust system!

Kart for the father one moment, and the next – the son/daughter, all just by changing the exhaust pipe!

Externally mounted huge radiator for water cooling.

Vital in our hot climates, for consistent & optimum power!

ROK/Tonykart Race Karts for Hire!

- ❑ To make the ROK Cup Championship accessible to almost every aspiring driver - City Karting has now prepared 6 complete ROK/Tonykart karts, which can be rented to race in our 2006 Championship.
- ❑ The chassis used are from the 2005 season TonyKart Racer EV model, as raced in the recent World Finals for the ROK CUP.
- ❑ The best news is that these factory prepared karts can be hired from as low as RM2500 per race weekend!!!!
- ❑ We expect this offer to be taken fairly quickly, so please make your bookings as soon as possible! Call us at City Karting for more info!

See our stable of ROK equipped TonyKart karts at our workshop!

All waiting for hire to see some race action!!!

City Karting – Home of TonyKart Malaysia!!
