NEWS BULLETIN NO: 1

COMPETITORS INFORMATION

Dear Competitors,

Welcome to Malaysia for this Rotax Invitational Race 2011 which is being held for the first time in this country at the Sepang International Karting Circuit.

You would be very supportive of the event by your early submission of entries before the dateline. Again we ask for your cooperation by submitting your entries as early as possible so that we are able to get everything in order for you. In order for us to guarantee the smooth running of the event, we appreciate very much if you could obey the following guidelines.

- **Entries**

The race will be held in the Sepang International Karting Circuit as scheduled on 8/9 January, 2011. Entries are open from now until 21 December, 2010. Entry forms and SR are already available and are published in the KartingAsia webpage www.kartingasia.com, Kartmore Racing web page www.kartmoreracing.com. Please arrange to have your entries submitted to the Race Secretariat now as it will save the organizer a lot of time in compiling the entries. If you send them late, your entry may not appear in the programme as well as having your entry rejected. You can submit your name and details by email and fax first. We will accept a maximum of 72 entries per class. Once that number is reached, we will reject further entries as it will involve more days to run the event.

Please ensure that you have a Release letter from your ASN if you are a foreign competitor.
